

Unitemps franchise highlights

In the last academic year, our franchise network achieved some fantastic results:

 The University of Edinburgh opened the first Unitemps branch in Scotland

 58,000 paid assignments worked

 3.1 million hours of work experience gained

 21,000 students placed in roles

 Almost £40 million paid in wages to support our candidates financially

 **VAT** £10.5 million VAT savings made across the network*

*supposing all revenue was processed through an external agency

Information correct for the academic year 2019-20
